ACTIVE8

Managed Technologies

established 2013

Newark Head Office

Founded in 2013, through the vision of five industry leaders, **Active8 Managed Technologies** began first in the midlands, and has now grown throughout the UK, with a mission to transform multi-service technology.

We deliver exceptional **IT Support, Managed Print, and Hosted Telephony** solutions, helping organisations streamline, save the environment, and stay secure.

OUR MISSION

To keep your business running smoothly, so you can focus on what you do best.

OUR VALUES

We keep tech simple, solutions smart, and your business at the heart of everything we do.

OUR USP

We ensure complete accountability, and a seamless one-stop solution.

⚙️ Multi-Service Tech Provider

Active8 is a leading multi-service managed technology provider, delivering IT, print, and hosted telephony solutions tailored to your business needs.

Whether you need one service or a combination, we offer solutions with the added benefit of multi-service discounts and an array of added benefits:

- **Single Point of Contact**
One dedicated contact for all your needs
- **Accountability**
Transparent, reliable service ownership
- **Unified Help Desk**
One expert team for seamless support
- **Consolidated Billing**
One invoice for all services
- **One-Stop Shop**
Complete solutions under one provider
- **Cost Efficiency**
Reduce expenses through optimised resources

IT SUPPORT AND SERVICES

Our IT services keep your business running smoothly with around-the-clock monitoring and on-site support, whether you need full IT outsourcing or just extra support for your in-house team.

- **IT Support & Assistance**
24/7 proactive monitoring & management
- **Microsoft Office 365**
Cloud-based office tools & services
- **Remote and Onsite Support**
Minimise downtime, ensure continuity
- **IT Helpdesk Support to Suit Your Business**
Full time, holiday cover, staff shortages, etc
- **Cyber Security & Consultancy**
Right-sized security for your business
- **Complete Peace of Mind Onboarding**
Specialised team ensures a seamless transition

MANAGED PRINT

We optimise print operations with top technology, independent suppliers, market-leading partners, expert maintenance, and tailored solutions for diverse needs.

- **Trusted Partners, Tailored Solutions**
Independence enabling solutions to fit needs
- **Printer Supply and Installation**
Setup of desktop and multifunction printers
- **Maintenance and Repairs**
Preventative care and quick repairs
- **National Level Customer Support**
Dedicated managers and training
- **Autom8 Software Integration**

HOSTED TELEPHONY

Our telecom team delivers reliable communication systems, including VoIP and hosted telephony, ensuring seamless, secure, and scalable connectivity for your business.

- **Reliable Network**
99.99% uptime with automatic disaster recovery
- **Scalable Flexibility**
Grow your business with flexible solutions
- **Mobile Access**
Stay connected on the go with handset or app
- **Field-Based Management**
Control your phone system from anywhere
- **Unified Communication**
Integrated communication across devices
- **Fixed Cost Solutions**
Single bills for a cost-effective solution

CONNECTIVITY

Fast, reliable, and secure connectivity is essential for businesses of all sizes. We provide tailored solutions to meet your unique network demands. Keep your business seamlessly connected.

- **Broadband Solutions**
We offer high-speed broadband, including fibre optic and traditional services, ensuring reliable connectivity for both everyday tasks and heavy applications.
- **Ethernet and Leased Lines**
For businesses needing high-performance, dedicated connections, our Ethernet and leased lines provide fast, symmetrical speeds with guaranteed uptime—perfect for critical operations.
- **Mobile Connectivity**
Stay connected on the go with Active8's mobile solutions, including mobile hotspots and tailored plans, ensuring your team remains productive no matter where they are.

"By 2027, the global demand for high-speed internet is expected to grow by 25%"

WHY SHOULD YOU CHOOSE US?

Active8 delivers tailored, reliable technology solutions to help your business thrive. With expert teams and a customer-first focus, we streamline operations and ensure long-term success.

We ensure full accountability, delivering transparent and reliable service you can always trust

With no outsourcing, our in-house team provides consistent, expert support tailored to your needs

We offer independent consultancy, helping clients find the best market solutions for their needs

Virtual IT management, 24/7 monitoring

Security-focused professional IT support

Cost controlled, sustainable, and secure printing

VoIP-based phone systems for unified communications

High-speed, secure network and internet solutions

Eco-friendly practices with energy-efficient technology

4C's ACTIVE8 CYCLE

Our approach is to **Consult** your needs, **Create** effective solutions, **Customise** solutions for your business, and provide ongoing **Care** and support.

SUSTAINABILITY

Active8 is committed to promoting sustainability by implementing eco-friendly practices across all services.

We prioritise energy-efficient technology, reduce waste through managed print solutions, and encourage digital alternatives to minimise paper usage.

Our goal is to help businesses lower their environmental impact while maintaining operational efficiency.

We also partner with responsible suppliers to ensure sustainable practices throughout our supply chain.
