# We are making it easier for you to find out how we handle your information!

I am sure you will be aware of the General Data Protection Regulation ("GDPR") that is due to come into effect from 25th May 2018.

We are contacting you to let you know that we have updated our Privacy Policy to comply with the new Regulatory Requirements of the General Data Protection Regulation (GDPR).

The way we currently use your personal information adheres to the upcoming regulation changes, but the new notice will provide you with additional details such as:

- The types of personal information we collect about you and how we use it
- How we keep your personal information secure
- The legal grounds for how we use your information
- Your increased rights in relation to the information we hold about you

The Privacy Notice will apply to any products or services that Active8 Managed Technologies provides to you (such as Service & Support Agreement, Lease and/or Sales Agreement).
